### **SCHEDULED BULKY WASTE PICKUP - SHARED**

Don't have enough bulky waste or metal for a pick up? Have only 1 or 2 items?  
Consider going in with a neighbor and splitting the cost for a pick up.

For disposal of bulky and/or metal items, Vernon residents may call the Vernon Public Works Department at 860-870-3500 to schedule a paid bulk/metal pick up. Items for collection must fit into a 7' by 7' area. The fee for a pick up is \$45.00.
